Call to Order: David Plotts called the meeting to order at 6:00 p.m.

Minutes: DJ Lumpkin distributed minutes from July and September; a motion was made by Dr. Amal Ali, seconded, by David Herrick, and carried to approve the minutes.

Master Plan: David Plotts passed out the survey results and completed surveys, they were reviewed and discussed. The group completed their own survey and made any changes needed to the information. The results will be forwarded to LAS.

Public Works Report: The beaver had cut down five more trees and is causing more problems; the city is looking into other options to remove the beavers. A bridge and other items were vandalized within the park, the kids responsible were caught and actions will be taken. The bridge will be anchored with concrete and rebar to stop future problems. Parkside students planted several trees and bushes within the park. Wonderland of lights in the park will be lit the Saturday after Thanksgiving.

Meeting Adjournment: The meeting adjourned at 7:00 p.m. Motioned by Mike Perry and second by David Herrick.
