8 **Call to Order:** David Plotts called the meeting to order at 5:30 pm at Robin's Nest Park.

9
10 **Park Tour & Discussion:** Discussion began with the observation that the park was being maintained
11 by residents of the immediate area and the committee's satisfaction with the work being done. There
12 is a concern about the breaker box which was unsecured and needed a lock. Doug said the city will
13 trim the hedges. A question was raised about the light poles and if they were working or even had
14 power. Someone will drive by at night to check.

15
16 **Parks Update:** Doug Draper updated the Committee on activities in the park system, including a
17 need to remove a tree down a City Park trail and noted that the tools at the dog park are being used
18 and have not been stolen or damaged.

19
20 **Reconvene:** Since there was no more immediate business to discuss, it was decided not to
21 reconvene at the Government Office Building and a motion was made by Mike Perry for
22 **Adjournment** and was seconded by David Plotts. The meeting was adjourned at 6:00 pm.
